Headlight Glass for John Deere Applications

Vapormatic is pleased to announce five new headlight glass products suitable for John Deere 6R, 6M, 7R, 8R & 8RT series tractor applications. These glasses are a high quality alternative for repairing original OEM units. Use VLB4280 adhesive for fitment. Highlighted in the table below are the John Deere tractor applications which can be found listed in detail www.vapormatic.com

Part number	OEM Headlight Ref	Description	Tractor series application
VPM3331	AL181666	Headlight curved (glass only)	30 series
